## Overview

Bishop Mack must face a dark secret that will destroy his family and perfect reputation as long-time pastor of a multi-cultural church. In the midst of a shabby campaign led by Elder Mack to drive more youth to church, Bishop Mack takes Elder Jimmy and the staff on a rocky journey through opposition, criticism, and love to make a tough decision on who will take over the church in changing times.

How does the church reach the “unchurched”?

What is proper succession planning for the church and not the pastor?

Where do Christian beliefs belong in the “new” church?
